Planning Your Visit

- If you feel unwell or have symptoms of COVID-19, please visit another day.
- All visitors will be required to have face coverings for the protection of other visitors and our staff. Face coverings will be available for purchase ($6) to visitors who arrive without them.
- Please respect and maintain social distancing of 6-feet or more between unrelated social groups at all times. Keep children with you at all times.
- Please use preventative measures such as washing your hands for at least 20 seconds and using the hand sanitizer stations located in the Visitor Center, the Farnsworth House and the Barnsworth Gallery. Guests are asked not to touch any surfaces inside Farnsworth House or Barnsworth Gallery.
- Guided tours are limited to 12 guests, so reservations are strongly encouraged. Grounds access is limited to 50 guests at a time. The only legal access to the property is through one of our tour options. We cannot guarantee a tour without a reservation. Tickets can be purchased [here](#).
- Stay on trails and lawn areas; use mosquito and tick repellant.
- The Farnsworth House Historic Site is not a public park, so climbing, fires, loud music and active sports are discouraged.
- No smoking or alcoholic beverages are allowed on the premises.
- Video cameras in use in and around buildings.

What are we doing to protect you?

- We are and will continue to comply with all local, state, and federal guidelines to help limit the spread of COVID-19 to our community.
- To ensure proper social distancing, we will operate at a limited capacity in our enclosed and outdoor spaces.
- A plexiglass shield has been installed at our Visitor Services desk for the safety of visitors and staff.
- We updated cleaning protocols with our cleaning service, who is regularly disinfecting all areas of the museum. You may also see our staff doing regular cleaning of our common areas regularly throughout day.
- Restrooms will be open and frequently cleaned and sanitized throughout the day.
- Hand sanitizing stations are available throughout the property.
- Public seating, including golf carts will be cleaned throughout the day.
- Face coverings are mandatory for our staff in accordance with state regulations.
- Our staff will follow good hygiene, including regularly washing hands and increased sanitization.
- Staff members will do daily health checks before beginning work. Those that are sick are required to stay home.
- On site staff have staggered schedules in the office to reduce risk of exposure.
